ACKNOWLEDGEMENT OF RISK, RELEASE OF LIABILITY AND AGREEMENT WAIVER (our lawyers made us say this)

1) I am applying for admission to the BOLDERBoulder Race and associated activities (collectively Race Activities@) being fully aware that these activities involve risks. I accept all the risks of participating in the Race Activities, even if they are created by the carelessness or negligence of a Released Party or anyone else. Risks include physical exertion, large crowds of people where a person may be knocked down and stepped on or fallen on, authorized and unauthorized vehicles on the race course, road and surface conditions, and activities in the Memorial Day tribute in and around the stadium such as sky divers and aircraft. I know there are other risks that are not listed. "Released Parties" as used in this document means BOLDERBoulder, Inc., City of Boulder, State of Colorado, the University of Colorado, all sponsors of the Race Activities, USATF and the governing bodies, directors, officers, representatives, agents, employees, medical personnel, and volunteer staff of each of them. I fully release, discharge and waive any Claims I may have, now or in the future, against the Released Parties even if Claims are based on the carelessness or negligence of a Released Party or anyone else. ("Claims" as used in this document means any and all liabilities, claims, demands, legal actions, and rights of action for damages, personal injury or death that are related to or in any way connected with participation in the Race Activities that I or my heirs or personal representative could make). 3) I agree not to sue Released Parties for Claims, even if the Claims arise from the carelessness or negligence of a Released Party or anyone else. I agree to indemnify (reimburse for any loss) and hold harmless each Released Party from any loss or liability (including any reasonable attorneys fees they may incur) defending any Claim made by me or by anyone making a Claim on my behalf, even if the Claim is alleged to or did result from the carelessness or negligence of a Released Party or anyone else. 4) I am aware that there is no obligation for any person to provide me with medical care during the Race Activities. If medical care is rendered to me, I consent to that care if I am unable to give my consent for any reason at the time that the care is rendered. I am aware that it is advisable to consult a physician prior to participating in the race. If I have consulted one, I have taken the physician's advice. 5) I agree not to consume alcoholic beverages during any of the Race Activities if I am under the age of twenty-one years. If I am over that age, I agree not to consume enough alcohol to become intoxicated. 6) I grant my permission to BOLDERBoulder, Inc., the sponsors of the Race Activities and any transferee or licensee of any of them, to utilize any photographs, motion pictures, videotapes, recordings and any other references or records of the Race Activities that may depict, record, or refer to me for any purpose, including commercial use by BOLDERBoulder, Inc., its sponsors and their licensees. 7) I agree to abide by the rules of the Race Activities. I am aware that the rules prohibit baby strollers/joggers, pets on the course, and any wheeled equipment, such as bicycles or inline skates. I acknowledge that, if I violate any of these prohibitions or other rules, I may be removed from the course and the permission for me to participate in the Race Activities may be withdrawn by representatives of BOLDERBoulder, Inc. However, I am also aware that certain people will be permitted on the course with wheelchairs or other forms of conveyance for disabled person(s) with special prior arrangement. Others may violate the rules, adding to the risks of participation. 8) No warranties or representations have been made to me about the Race Activities which are not stated on this form. I understand and intend that this document act as the broadest and most inclusive assumption of risk, waiver, release of liability, agreement not to sue and indemnity as is permitted by the laws of the State of Colorado. If any portion of it is held to be invalid, I agree that the rest of it shall continue in full force and effect. The singular of nouns and pronouns in this document includes the plural and the plural includes the singular. I agree that this agreement was made in Boulder, Colorado and that the laws of the State of Colorado shall govern its interpretation and enforcement. 9) If the participant is under 18 years of age, the parent agrees to the following statements: As a parent or guardian of the participant, I authorize the child to participate. I also join in the statements and agreements made by the participant in this document. I also agree that, in the event participant or anyone acting on his or her behalf should make any Claims, I will provide the indemnity and hold harmless described in paragraph 3.
